A Word from our Judge:

KRISTI GRUSSENDORF

Thank you for the opportunity to jury this small but mighty exhibition of your societies' signature member paintings. After my on-line workshop during Covid, I am so pleased to be able to finally meet and paint with many of you in person. I especially look forward to this exhibition in person as watercolors are meant to be seen. There is a wonderful variety of subject matter and styles. I enjoy the breadth of your society's approach to color— from Tonal value studies to full saturation and many other pieces honor the watercolor medium by exploiting the blooms, runs, splatters and other textual delights. Your work has started the conversation . I look forward to continuing. And after all, isn't that what we hope our art does? It's visual language, the painting of "a thousand words", so to speak….the ideas and stories of the artist.

The Nevada Watercolor Society's purpose is found in Article 11 of the Bylaws: The purpose of this society shall be to encourage, promote and advance watercolor painting through the education of the artist and general public. COME JOIN US on the 3rd Saturday from 1 pm to 4 pm at the Multi Generational Center Sept. thru May
