# MESSAGE FROM JUDGE BARBARA YOERG

It has been an honor to choose the artwork and awards for the 2025 Nevada Watercolor Society's Fall Show. I appreciate this opportunity, although the decisions were tough. I also appreciated the array of artistic talent of the NVWS membership.

The body of work speaks of stories and events and shows composition and technical ability while sharing sensitivities and strengths, a sense of place, and an opportunity to wonder and explore.

Keep questioning and discovering the universe around you while practicing design and compositional techniques by creating strong and marvelous works.

I had a difficult paring limiting the show to 30 paintings.
